“ We will miss you Aunt Donna. I too remember all the good times spent with you, Neal, and the kids. You went out of your way to see that we had special times, like the Yosemite trip, the fishing trip with Donnie in the Sierra's, and the time we went to the drive inn and saw Jungle Book when it first came out. That was so cool. It was always special to come to your house. We knew there would be good food and always a good time. I remember one time that you sent us money so we could come to see you in Orinda. We were in Kingsburg at the time and were really struggling. You always seemed to find a way to make things special. You have a home in glory now and we'll see you soon enough. Donnie, Heather, and David, you were all blessed to have your Mom and Dad. You are all in my prayers. Neal, thanks for allowing Donna and your family to be such a blessing to us. God bless you all. Randy and Linda

“ my dearest aunt donna, you were loved so much in your life time. i remember as a child so many wonderful memories and some not so good ones to but mostly all good ones but one time i remember was you and uncle neil took us camping and us kids were in sleeping bags outside the camper all of a sudden a bear appeared and we were so scared and i remember i ducked my head down in the bag and was crying and i heard all the other campers banging pots and pans to scare the bear off and you and uncle neil were scared for us kids and you started banging pots and pans and finally the bear took off and we were so happy after that, i will never forget that and the fun we all had that weekend. you were a wonderful cook and a beautiful person aunt donna and i will never forget you or your love. i loved coming to your house, i had a lot of fun as a child visiting you. i love you so much aunt donna and i will miss you so much i can't imagine not seeing you again here on earth but i will see you in heaven one day as you are with your mom and dad and sister and my daddy and sister and brother and you all are probably smiling at each other and saying i made it. you had so much love in your heart and you loved your children with all your heart even though mistakes were made and we all make mistakes as a parent and human being. but you were loved so much and we will miss you and will never forget our aunt donna. now you are in god's precious hands and never will be forgotten. i love you aunt donna. love your niece sheila###imported-begin###sheila hodges###imported-end##

“ Aunt Donna was a wonderful, kind Aunt. I will never forget when I was a young teen (way back then), we went to stay with her a few days. She let me borrow a pair of her slacks and blouse and I thought I was something. My aunt took so much pride in her appearance, it made me feel as beautiful as she was a person. She will never be forgotten. Will be with her again one day with our heavenly father. ##imported-begin## Earlene Wood ##imported-end##

“ My Aunt was a wonderful aunt. When I was a small child I remember her cooking, awesome. The smell of her clothes and EsteeLauder perfume. I will never forget my aunt. What a special lady. It's all okay though because I know where she is. She is in Heaven with our Heavenly Father. ##imported-begin## Norman and Chris Gideon ##imported-end##
