“ Ma,

*God blessed us so much with you and I am so glad that you were my grandma. You were always there to help in any way that you could and never batted an eye. You gave your opinion whether we wanted it or not and you didn't care one way or the other....because MA always spoke her mind. I love you so much and thank you so much for loving our sweet Kaydin Hope to heaven and back. She sure misses you....but one day we will see you again. Until then please give Pa a bigggg hug for me. I love you!
Love your Two ol' gals....Kassi and Kaydin*
