“ This last year has been so hard for our family and I’m sad the new year has started the same. One thing I can always say is Uncle Doss always knew how to put a smile on your face and make you laugh. I hate that he’s gone but at ease knowing that he is no longer suffering and in pain. I will always love him and I know he is flying high with my dad and grandparents and all our family. Please continue to pray for our family and know we will get through this.##imported-begin##Amanda Bailey##imported-end##
