“ *Every time I came over Doug would ask me how my jobs are going. He was so proud that I was taking care of his daughter and granddaughter. He couldn't ask for a better son-in-law that I am. I love you Doug; Im going to miss sitting and visiting with you for hours. You were a father to me when I didn't have one on earth. Love you so much, Jason York*

“ *Daddy I love you and already miss you. I know that you have a new body now , and you are no longer suffering. I don't remember alot of my childhood, but I do remember this. When I was sick you and Momma took me to see Jimmy Shaggart, and took my little hand, and took me up on stage and he prayed for me. After I started getting better. Thank you and Momma for that Love Melissa*
