“ *I only knew Dusty for a short time while I worked for him at TDC. In that time, I came to know him as a fine, decent, Christian man who showed kindness to all he came in contact with. He was a walking example of God's love and grace. My deepest sympathy is with your family over your loss. I know he is rejoicing with the angels in heaven. Blessings to you all, as Dusty would say.

“ *Marcy, Tamara, Dustin and Family,  
I have so many fond memories of you all. Playing with Dustin and Tamara when we lived on the same street in Lindale. Much later on the cruise we went on Marcy, Dusty and Dustin. Great times. My heartfelt condolences are with you all during this difficult time. Prayers and love to you all. Dusty will surely be missed. Love,

“ *I remember the day Dusty was born. We were so excited. I will not be able to come to the funeral but I will be thinking of you. When I come to Lindale I will go to the cemetery. Dusty was the youngest of the first cousins. I loved him so much and was so proud of him.##imported-begin##Lajuanda Morrow##imported-end##*

“ *Amy, I know you don't remember me, and I haven't seen you in a long time. I have such a beautiful picture of you with my two daughters, Rhonda and Susan. You and Aunt Teacy came by to visit me one day. I have such a deep love for all my family members. I just got back from a cruise and will not be able to come to the funeral, but I am so sad so sad. I loved Dusty so much.##imported-begin##Lajuanda Morrow##imported-end##*
