“ Mr. Eddie Holmes encouraged a lot of employees of Tyler Pipe & Foundry to participate in their 401K financial program. My husband, Arthur Baldwin, was one of those people. Because Arthur Earl was young and started early, we were financially able to retire when he was 55 years old. He always said that if Mr. Holmes had not gotten him into the program, we could not have retired so early. I am thankful for the help and encouragement Mr. Holmes gave my husband many years ago. May he rest in peace.

“ Karol and all the family, I wish God's blessings on you at this time. I just knew Eddie a few months while he was at the Hamptons. We became friends and was always fun to chat with. I am thinking of you at this time. Jean Templeton
