

## Edward Donn Piatt

December 1, 1955 - January 13, 2021

Edward Donn Piatt III was born in Metairie, LA on December 1, 1955, to parents Dr. Edward Donn Piatt, Jr. and Mrs. Jo Ann Pirkle Piatt. He passed away on January 13, 2021 in Lindale, TX.

Donn graduated high school in Savannah, GA, after which he received electronics and avionics communication training in the U.S. Air Force. After completing additional training in Germany, Finland and Japan, he specialized in repairing and maintaining highly sophisticated scientific, medical and avionics equipment, travelling extensively both internationally and within the U.S. while working for (among others) Seiko Instruments (Chicago, IL), UPA Technologies (Westchester, OH) and Curtiss-Wright Corp. (Tempe, AZ).

His family and friends knew him as someone who was funny and smart and who could fix absolutely anything. He loved movies, music, fishing and boating, and was never happier than when he was out on the water. He loved animals, particularly dogs, who sensed that and loved him as well.

He was preceded in death by his parents and is survived by his four sisters: Linda Piatt (Auburn, AL), Laura Wallingford (Pleasant Prairie, WI), Lisa Henry (Carrollton, TX), and Leslie Chapman (Auburn, AL), as well as nieces and nephews: JoAnn Henry and Sarah Walsh (Carrollton, TX), Andrew Henry (Garland, TX), Carson Wallingford Irace (Bolingbrook, IL), Cody Wallingford (Pleasant Prairie, WI), Lindsey Parsons (Los Angeles, CA) and L. E. Parsons (Auburn, AL).

A private memorial service will be held at a future date. The family asks that in

lieu of flowers, donations be sent to an animal rescue organization in your community, which is what Donn would have wanted.
