“ When Liz was managing the Texaco, she would buy potted meat and pull all the labels off of them and asked me to print up new labels. They were bright orange and were labeled "Armadillo Meat". A great gag purchase for the out-of-towners! It's been so long I can't remember the details of the fine print that she wanted on there, but there was something about "road kill" and that it was best with a "Nehi grape." Lol. She was so much fun. She always made John his favorite cake for his birthday ...German Chocolate. A very special lady indeed. She will be missed.

“ *I meet Ms. Liz when she started at the post office. We became friends and she became the secretary of the branch for the carriers in Tyler. We spent a lot of dinners with he4 and John and always enjoyed their company. I was always hoping that her health would improve after she retired from the post office so she could enjoy those grand babies. She will be missed but I'm sure John will be happy to see her again. We will miss you Elizabeth Liz Shaver. See you one day I pray. We Love you.*

“ The past 2 years I have gotten to know Liz through my mother, Bobby Johnson. They went everywhere together and they had all dogs in tow with them. Every where they went i called them Thelma and Louise. She always made sure we had food, fruit, and anything else anyone needed. I will miss her laughter and smile and the caring way she made sure everyone else was taken care of. You will be missed Liz.. Love you

“ We use to spend our summers sometimes Christmas break at Liz's house. Some of my fondest memories are from those times. Liz and I were card partners. We had so much fun, riding horses and a goat, only once though. lol Their donkey learned how to open the gate to the back yard, they had all kinds of farm animals. It was a kids dream to spend time at the Carlisle house. Love you all, Jeraldine Mitchell Rowe

Many years of friendship. Many hours making candy, cookies, cakes and fried pies. We usually started our day at the shop in prayer and had many great talks about The Lord. Liz always called me "Mom" and that was an honor. I'll always have a special place in my heart for her and will miss her. I didn't realize for a couple of days that she died on my birthday. Please take comfort in knowing she is at peace. My love to all the family. Sara/ Nana
