“ Elizabeth will always be remembered as a special part of my childhood and into our teen years. We were cousins and didn't see each other often due to living far from each other but we always had such a good time together. She was so much fun to be with when our families got together mostly at our g'parents' home in Springfield. Liz had such a cute personality and if I could describe her in ONE word, it would be "spunky" but so much more! I'm sorry I won't see her again in this "earth life," but I know she is alive, well and happy in Heaven seeing her parents, g'parents, aunts, uncles....all praising Our Savior together!  
Love always,  
Sue (Lambeth) Boedecker
