“ We are so sorry to hear of the passing away of Aunt Lib last Friday. We are sure she will be greatly missed by all of her extended family. We are sad that she is the last sibling to pass away as Gubie passed away in November of 2016 in Florida. We will keep you in our thoughts and prayers.

“ So many memories Nanny. Let's start with a funny one. That day we came over in the snow. Our socks soaking wet and you put them on top of that gas stove to dry in the house that was behind the old Piggly Wiggly. They dried alright. Dried so much they turned black. We laughed about that one for ages. Burned our socks. But really, it's those Saturday mornings after I spent the night on Friday when I was a young boy, just you and me and a pound of bacon and the best biscuits in Lindale and the smell of the percolator. Of course, the night before, you probably had to wake me to go get in bed, having fallen asleep watching tv with my head nestled on your lap. Best snuggles ever. Love you always!
