*My family (My Dad, my Mom (Ella's twin Nella), and brother lived in the Tyler, Lindale area while I was growing up so I have many memories of my Aunt Ella. I remember the sounds of her laughter as she, Jimmy and my parents played 42; thrift store shopping with the twins (Nella and Ella), spending the night with my cousin Deb at Aunt Ella and Uncle Jimmy's house in Lindale; and how Ella told how my toddler cousin Chad pronounced my name "Shern" instead of Sharon. Oh how she loved that memory. I think she revisited that memory every time we visited when I came to Tyler for a visit.*

*My heart is filled with respect and gratitude for her husband Rob Leard who loved and pampered her in her good health and took excellent care of her in her years of declining health.*

*My heart is also filled with respect, gratitude and immense love for my cousin Deb who was by Ella's side during the good times and during all the many difficult and challenging health issues these last years. There's no match for the love of a Mother for her Daughter, nor the love of a cherished Daughter like Deb, for her Mom.*

*May Rob, Deb and the remainder of the family find peace in knowing that Ella's suffering has come to an end and new life of joy is beginning.*

*See you in heaven Aunt Ella, Shern aka Sharon Ware*

*My most vivid Memory of Aunt Ella was when I was 6-7 years old. Mom and Dad both worked and Mom got Aunt Ella to sit with my sister and me in the summer months when Aunt Ella was out of school. Every day after Lunch She would have us take a nap and I hated that. I told Aunt Ella when I got older, I wouldn't have to take a nap. Well I'm 84 plus years old and still don't take a nap. But I Still Love You Aunt Ella*
