“ To Kena.

Dwayne, Bob Langford and I bunked together in Dallas when we worked for Jim Needham and were together every day. During those times Dwayne became a dear friend and I will also miss him very much. His personality and outstanding character always impressed me; I will always remember the times we enjoyed together and I look forward to meeting Dwayne at the resurrection when Christ returns for we talked about this several times so, this is not the end of Dwayne Keith - only the beginning.

His friend, Stanley Roberts.

Tena, I read Stan Roberts tribute carefully and I know it was a source of comfort and hope to you. He matched my sentiments exactly about Dwayne. Dwayne was a good friend and he will be missed. I remember the time he drove all the way from your house to south Tyler to help me work on my car. I appreciated that so much. I'm looking forward to seeing him again. Love to you and the family....Bob
