Eloise was one of my sisters! She was always an obedient sibling. She always tried to take care of her sisters and brother and she had a big heart. She always a good girl! Not perfect but she was a good example for me. I am thankful that she isn't suffering with cancer anymore! She has a new body and I know she had a great reunion with many loved ones when she got to Heaven! Most of all she, she is with our Lord and Savior and so many loved ones who had gone on before her:) We have peace knowing that we will see her again, when we get to Heaven. What a glorious reunion that will be!
