“ Dear Ron and Moyer gang. We are sure that Jesus is your comfort in such a difficult time. Evie has blessed so many people during her lifetime. How wonderful it was to see her courage, dedication and serving attitude in Mongolia. I was welcomed in your family in all the opportunities we had when in Texas or Mongolia. There are no words to express how we appreciate her. We grieve with you and pray that Jesus will fill your hearts with great comfort and peace. We love you all, the Moura family.

“ I was afraid. My son was about to go on a missions trip with Ron. They were going to take God's Word into some places that might not be very receptive. Evie knew my mother-heart. She comforted me. She knew I'd dedicated my boy, alone, just me and him and the LORD in prayer and that I'd "given him back" to the Lord when he was just a tiny babe. I never told her that. She just knew. She reminded me to trust the Lord with my son - the son I'd already given to the Lord. She reminded me that my prayers for him to grow in wisdom and knowledge of the Lord and for him to serve Him were being answered. She helped me release my son once again and dedicate him once again in my mother-heart. That boy is now a man and a pastor. I have two more sons who have followed their older brother into ministry and what Evie counseled me through that day more than 10 years ago remains worth me as I release those sons into whatever the LORD may call them to. Thank you, sweet Evie. I will be eternally grateful. Ron, we love you and are praying for you and the children. Beth (Kopishke) Tuszynski
