“ *dale, i knew you in childhood, lost touch during our school years, but then we reconnected, if only for a short time, in recent years, and i am very grateful for that...my heart just soars knowing you are free of all your pain and are at peace...happy trails, my friend...*

“ Dale was my first cousin and I have so many memories of our gatherings at Granddaddy and Grandmother Null's house for holidays and Saturday dinner very week. Even though he was older than me (had to say it Dale), I always thought he was a rock star. He was so handsome and well mannered and I loved him and his brother, BB, so much. You will be missed Dale but your memories will live on. I love you, Aunt Dot and Uncle Al.

“ Dale,

*I can see you now playing in your newly formed heavenly band... wondering if you will find a way to have a Battle of the Bands in heaven!*

*You leave us on this earth with memories that we will treasure and share for the rest of our lives. We will laugh, shed tears and remember the precious times together. Your stories and experiences may top us all because you are our "no fear" friend. I am thankful that we reconnected and talked over the last few years remembering the past all the way back to Orr Elementary School. We shared those times as if they were yesterday. I treasure those talks and your friendship. I want you to know that we, in the JT Class of 1971, have said many prayers for you. I will continue those prayers for you, your family and your friends as we all seek peace and comfort knowing that your suffering on earth is over. Our God is an incredible God, and my heart feels His presence in your move from our earth.*

*God bless you now and always... Love ya man!  
Friends forever,*

*Belinda Kelley Kromer*
