“ My dear June, you may not even remember me, Shirley Aten Lane Roberts from Lelia Lake and Clarendon. I was so shocked to see Fanchon's obit today in the Amarillo paper. She and I go way back to the "good ole days" in Clarendon and we were such good close friends. But through life we never lived close and lost track of each other.

My heart goes out to you and all the family as she was a wonderful and beautiful lady(both inside and out)!! I have thought of her so many times wishing we could visit once again but one day soon we will be able to visit and "catch up" in Heaven!!!

My love and prayers to you, Don and all the family,

For their River Road days we were neighbors. Our children were same age and I was the baby sitter for Mark and Carl. We consider them long life friends. Had to call Fanchon one day at school to tell her I could not find Mark. Fanchon and John both came and we looked everywhere for Mark, panic had just about set in when we found him under the bed. He was hiding because he did not want to take a bath . It was not funny at the time,, but we laughed a lot later. Understand Mark has been the caretaker for his mother for the past year. I know Mark you did a good job and your mother loved you very much.
