“ *My name is Debra Poole. I am Efren's mother-in-law. I first met Faustina about 4 years ago. Her dedication to God and unconditional love for her family impacted my life greatly. I don't speak Spanish, yet we communicated well with one another. I admired her strength and she had a kindness that was so peaceful to me. It says a lot about what kind of mother she was to her children as they all look up to her and adore her. Oh my, she could cook and I loved her tamales. She will be greatly missed by everyone who knew her. God bless all her family and friends. You are all in my prayers.*
