“ Faye was a friend of my dad's . They used to go dancing all the time with their spouses together . I don't get to Tyler her that often.I'm in houston . However , when I did go by to see her , I would always take her of vanilla shake , she loved vanilla shakes . She used to always have lemonade made sitting on the counter there on her bar . I would always have one or two glasses of lemonade . A stray cat always found a home there with her . Rest in peace Faye love you
