“ *It was always a pleasure to have spent a few minutes talking with "Frankie". He was "One of a Kind". I also remember our "motorcycle days".*

“ We will miss Frank a lot. He always gave me a hard time about everything but that is how he showed he like you. I will miss talking with him at games at school. He was a good friend to visit with. Frank is probably up there right now taking care of the Dogs that God has put him in charge of, each soul has a group, probably, I'm just saying. To the family of Frank, I feel your pain. It's hard to loose someone that you have been with all you life. I will pray for Linda and your family. God be with you all. Denise A. Timaeus
