“ My husband knew Mr Germer. I never had the privilege of meeting him. They passed away just days and 1year apart. My prayers go out to the family and friends.

“ Fred and Louise were a very BIG part of my life starting about 50 years ago, give or take a year. I can remember going to the family home tons of times and they always treated me like I was family! I always will remember them and am very blessed to have known them.
