“ *Freddie: calm, loyal, generous, dependable. What will Mitch do with you? Thank you for sharing the fresh onions from your garden! I cheered you when you broke the smoking habit!*

“ *First I want to say how sorry I am for Freddie’s family. Freddie and I have worked together for 6 years now and have become great friends. His friendship and work ethics cannot be replaced. There will be a very big gap left in my life and at Granite Works. I only hope that my life will touch as many people as his did. Rest in peace Freddie and I will see you again one day.*
