“ Garrett was one of my students when he was a Freshman at K9. I loved his personality. He was a perfect mix of fun (when it was “ok”), respectful, and hard working. I thought of him like a little brother and absolutely enjoyed having him in that class. When you teach school, a lot of names are kind of “ruined” (if you know what i mean) when you start trying to decide on names for your own children. I never had a bad memory of Garrett Gunter. So my youngest son’s name is Garrett. I hope my Garrett will be as much fun to teach as Garrett Gunter was. I will forever be saddened by the loss of his life.

“ Garrett never failed to make me laugh and brighten my day every single time I saw him. I knew that it would be a fun time if Garret was coming over. I really enjoyed all of our conversations, especially about soccer. He also taught James how to change a tire which James will is that skill throughout his whole life. I am super thankful that I had the privilege of having Garret as a neighbor and friend.

“ Garrett never failed to make me laugh and brighten my day every single time I saw him. I knew it would be a fun time if Garrett came to the house. He also taught James how to change a tire which will be a helpful thing for James's whole life. I am so thankful that I had the privilege of having Garrett as a neighbor and friend.
