“ I never had the honor of meeting Gay, but I know she was a wonderful person as my grandkids loved her. After she became so ill she gave her little dog Sally to them. Gay that dog has a great life with those kids. May you rest in peace and know that your family is in our thoughts and prayers.

“ I saw Gay in Lindale this summer after many year's. She immediately invited me to her home to float around in her pool and catch up. She always had time for other's. She had such a happy heart.  
I will miss that laugh and smile .

“ I first met you nearly 30 years ago and have never known anyone quite like you. You have been such a wonderful friend over the years...the type of friend that can go periods of time without talking and then pick back up right where we left off without skipping a beat. That is a good friendship right there and so in losing you, I feel like I've lost a piece of me. I will never forget you or all the "coffee times" we had sitting in your kitchen or on the patio and will truly miss you more than you could ever imagine. Soar with the Angels my dear friend because you truly are one! I love you with all my heart!
