“ I have known Sister Henderson for 38 years, seven of which she acted as a second mother to me (from 1986 to 1993). She was always loving and kind, yet firm when needed, as my mom had entrusted her with the authority to discipline me. Sister Henderson was a remarkable spiritual leader at Trumpet Sound Ministries—truly an angel on earth. She encouraged me to play the drums and sing, even though I wasn't very good at either. She was an extraordinary woman, and her presence will be deeply missed.

“ *From the time I met MeMe nearly 30 years ago she has always said to me that I was beautiful and that I should have been be a model (even though I knew that that was not at all totally true lol, she sure knew how to make a girl feel good) I was 23yrs old then. All throughout these years she has always maintained that very statement and for our Christmas party this year she was still giving me that same compliment at 53yrs old. I loved and respected her as a Christian and for always having a kind and trusting heart, I know that she will forever be in mine. Rest peacefully MeMe (as she was everyone's MeMe) we will miss you but we know you are in a better place to look down after us all. I love you, love always TRISH*❤️

“ I consider myself to be incredibly fortunate to have grown up with Geannie as my aunt. As Geannie would often say, I was her's from the second I was born. Geannie was always a pillar of quiet strength and immense love to those who knew her. I will dearly miss calls, conversations, hugs and messages ending with “you're a gooney bird” and “eat a chocolate worm”. I've heard those phrases a thousand times but oh how I would love to hear them just one more time from my beloved Aunt Geannie. To Gina, Meagan, Holly, Katie, John Wade, Ashleigh Bell and Christian, as well as Jo, and the many cousins, great grandchildren, nieces, nephews, greats, and so forth, you are in my heart. May Geannie find her heavenly self celebrating with Wade, Wayne, Granny, Pat and the many others who passed before us. With Love, Chance Spiker
