“ *Big Brother, I will love and miss you always. I'm so sorry you had to spend so long in nursing homes after Mother died because you were unable to live alone any longer. I'll always be grateful for your service to our country and thankful that you served without being injured. I know you must be feeling so happy today with your Lord & Savior and without pain or sadness. I'll see you there some day soon. Love, your sister, Ann. Ann Chambless Carlisle*

“ We were saddened to hear of George’s passing, but we also &quot;Praise God from whom all blessings flow&quot; as we know George is in the presence of his Lord and Savior Jesus Christ. OUR condolences are to the family, particularly our good friend Ann who so tenderly and faithfully saw to George’s needs. We know that Clyde greeted George yesterday in heaven and &quot;showed him the ropes&quot;.
