“ *George and Faye have been my adopted family since I met and worked with Faye at the Mineola Walmart. I love them dearly and George will be missed greatly. He always had a big smile for us even when he wasn't feeling well. We couldn't ask for a more wonderful friend. God has taken one of his angels home. Larry and Eileen Miller*

“ In this life we make many acquaintances, but just a few that we can call "friend". I am very blessed to have had George, Faye, and their family for friends for many years now. George liked the Alan Jackson song "Little Bitty", but George was anything but "little bitty". He had a heart bigger than Texas, and was an example of what a friend really is. I have so many fond memories of time that God allowed me to spend with George and Faye, that it would take a long time to share them all. Your passing has left a hole in this cowboy's heart, my friend, but I will cherish the good times we had, and look forward to seeing you again when my time has come. Rest in peace.
