“ *I always respected Gerald for the honest man he was. I had a few " discussions " with Gerald, but in the end we had mutual respect and 5 min later drinking coffee together. He was easy to work for because he would work as hard for you as you did for him. I know his family will be missing him, but I will look forward to when I will see my friend again in Heaven. May the family turn to God for peace. Jerry Tidwell 410/430*

*I'm really going to miss you we know each other over 46 years. We had a lot of good memories and fun gone through 2 rounds of cancer together and years ago working on that purple race car. You will always be in my thoughts. Love you*
