“ *I am sorry to hear of Gerry's passing. I worked with him in Las Vegas and I can say that he brought us much laughter and was a pleasure to work with. He was a kind man, calm and gentle in his ways. He had a wicked sense of humor which helped to deal with the stress of working in the ED. His eyes would light up when he talked of his family and his children. I pray for his family and friends who are missing his presence.*

“ *DeVonne and family,
We've never met but I worked with Gerry at Green Oaks Hospital. He was a great nurse and a good friend to me while he was there. He frequently spoke of his love for his family; but he was fun too! Sometimes he would call me out of the blue (when we were on different units) and say "what are ya doin now?" One time he left a phone number on my desk and a message for me to return the call...it was a Gentlemen's Club soliciting workers!! I still laugh about that! He was great to work with and always had my back. I never got in touch with him after he left Green Oaks, and now I'm sorry I didn't. He was a good nurse, an inspirational Christian and a very good human being. I'm so sorry for your untimely loss.*

“ *Gerry Cagle was bodacious. He filled the room with his booming voice, big laugh. He always wanted "more." Do more, see more, BE more, earn more, and especially LOVE more. And oh how he loved his friends and family. He was one of those friends that I might not see for years, but always knew that in a time of crisis I could call him and he would be there immediately, no matter what the crisis might be. He didn't question and he didn't judge - he was just there. I didn't always agree with his methods, but I knew his motives were always derived from a desire to please and care for DeVonne and the boys. I'll miss Gerry Cagle being on this earth, but I know I will see him when it's my turn to go Home. I love you DeVonne. You're family. As I knew Gerry would be there if I needed him, so can you depend on me for anything. Love, Angie*
