“ Glenda and I were so connected with us having the same first name. She would call and say... "This is Glenda # 2"..and always smiling and laughing. I'm going to miss the beautiful person that she was and how she showed her love to others and most of all, the love she had for Jesus. And now she is with him forever! We'll see her in heaven one day and for now, we all have wonderful memories of a beautiful person and friend. Love and miss you Glenda.
