*What a Wondwrdul Art Teacher she was, she was always so upbeat and happy. She never saw blank canvass; a field of colors & strokes often as randomly painted were the endless possibilities she could envision as she would stroll through our classes relishing the free flowing unrestricted creativity that she helped bring to all of us.*

“ Mrs. Pinkerton was a huge influence in my life. She was not only my art teacher, but my friend and confidant. In my daily gratitudes, recently, I thought of her and how much her support and encouragement of my art was instrumental in my work. Thank you, Mrs. Pinkerton. You are loved.
