“ I will never forget how gracious and a blessing Sis. Praytor was to my mama and family during our time of suffering and pain. She would cook homemade biscuits for my mother who had contracted multiple sclerosis leaving her paralyzed and debilitated too early in her life. She cooked for her as a gift of love, and it was such a blessing to us and still brings warm memories and fills out hearts with love to this day. Her and mama are together in heaven now....maybe talking about those biscuits. Prayers for her family who will miss her terribly but can look forward to the day they will see her again. Thank God for that blessed hope.
