“ Donna, both of your sweet parents were precious to me. I will never forget their love and attention to my family when I needed it most. They were generous and loving and shared their love of the Lord with everyone they knew. Your parents were a guiding light to me in my Christian walk. Take comfort in the fact you were able to hold on to them as long as you did. You have a wonderful legacy to look back on and share. My heart is with you in this time of sorrow.
