“ I remember when we first meet. I will never forget that he and Jackie wanted my husband and I to take the arrow head hunting. So the closets thing we could think of was taking them to the chickasaw cultural center. I think that satisfied them wanting to know about us as chickasaws. I also remember when I took him to meet the rest of my family at my great aunt's birthday he are just like he was one of the kids that grew up with all my family. And my final memory of him is when I told him my kids started calling him uncle boom boom. You will always be loved and missed. Love you always Teigon, Easton, Scout, John, and JaDean Factor

“ *When Davida, and Greg lived with Phil my grandma, and myself he had the biggest sweet tooth. I always made sure everyone had their favorite. So we would make a list they along with all of our kid's favorites, we go grocery shopping get all the groceries come home and put them up. I swear Greg would see what everyone else wanted and say man why didn't I think about that. My was always oatmeal cream pies. So he would go around either me or grandma so he could all the ones he wanted. Last time I saw him we talked we where talking about it because I was buying the kids those takis, and he told me not to buy them their own bags. So I just said I did it with you and I'm going to do it with them.i think it was the first time he was speechless. I love you Greg.*
