“ *Dearest Farley....you were a surrogate mother to me and a surrogate grandmother to my children when we had no family nearby. You introduced me to my very best friend in the whole world, (Barbara Treat.) You took care of my children from the time Gina was about 2 and Royann Denise was about 8 weeks old, until they were ready for school. For a few years there it was as if your family was my family. Thank you for everything my dear Farley, you have never been and never will be forgotten!##imported-begin##Jeanne Herron (Thornton)##imported-end##*
