“ My cousin Junior was someone I always looked up to as a talented outdoors-man, a willing teacher, and a generous person. He was a great mentor and a humble man who intuitively knew how to make others feel welcome and capable. He could always find the positive in life and loved to laugh and make others smile. I have always admired him as a good person, outstanding father and a human who made this life better for others.

My thoughts and prayers are with his wife, daughters and other close family who are dealing with the hole his passing leaves. May he rest in peace... Martha
