“ My dad, Robert Kelly’s first friends at Garden Estates were Doc Cannon, Mr. Barron and Doris...they ate meals together every day...they made him feel at home....he loved them dearly and they all took care of each other. Now, they are all have gone to glory and are having a reunion with all their loved ones, family and friends....I loved them all - they are truly a special foursome....It was truly my pleasure to know Mr. Barron -he was a true gentleman..(he had a sweet tooth for Blue Bunny Ice Cream - my husband sells this and was happy to share with Mr. Barron).....I will miss him, but I know without a doubt, they are all celebrating in heaven. Blessings to the family and know that you dad was my dad’s good friend.

“ My dad, Robert Kelly was a resident at Garden Estates for approximately two years. The first friend that he met was Mr. Barron. They ate together every day due to their seating arrangement. Mr. Barron was the nicest and sweetest man. He was always concerned about my dad when he didn’t feel well and didn’t come down to eat. I always enjoyed visiting with him at lunch or dinner and when I came to visit he was usually in the foyer with dolly which was a treat to see. All three of the men who ate together for several years, Doc Cannon, my dad, and Mr. Barron are home with the Lord now and they are surely missed. My prayers to the family of Mr. Barron and thank you for sharing your wonderful dad with the Kelly family. God bless!##imported-begin##Barbara Hopkins##imported-end##

“ *Mr. Barron was one of the sweetest, most kind gentleman that I have ever had the pleasure of knowing. I met Mr. Barron at South Tyler Animal Clinic as this is where he brought "Dolly" on many occasions. Each and every time we talked on the phone or in person, he always brought a smile to my face. I could tell that Mr. Barron was the kind of man that was loved by everyone and in return, he too, loved everyone. He always spoke of his loving family with great pride. I was so very blessed to have had Mr. Barron come into my life. He will always be in my heart forever. May God be with the family during this difficult time. My thoughts are prayers are with you.*###imported-begin###Mary Lewis###imported-end###

“ *There are not enough words to express the way Mr. Barron touched my life. His unfailing smile when he walked through the door of the clinic was always a blessing. He would bring Dolly in to board with us or maybe just for a groom and our visits would be the highlight of my day. His love for his daughters was very strong and reminded me of my father who went to be with the Lord in 2003. It is sad for me that I will not see Mr. Barron at the clinic any longer, but yet because of God’s promise to his children I know that we will see him again one day. I express my deepest sympathy to his loving family and will continue to lift them up in my prayers.##imported-begin##Jodi Dana##imported-end##*
