“ To Ann and all the family, my deepest sympathy to you all. I grew up with Robert and always remember seeing Bubba on occasion teasing me and Robert as a big brother will. I always felt apart of your family and Aunt Dee and Uncle Duke were as fine a couple as I have ever known in my 63 years.

Ann you were always as fine and sweet a lady as I ever met and always carried yourself with grace. In closing I find this Quote from a great Greek Poet very comforting in a times like this and it goes," One must wait till the evening to see how splendid the day has been" for Bubba I'm sure it was a fine day indeed.

My Love to you all.

“ The Hamilton Family,
I have wonderful memories of Bubba. Our parents were good friends. My brother, sister, Bubba's siblings, and I had great times playing in the woods behind the Hamilton's home while our parents played cards until all hours of the night. One time Corky and Bubba brought to the house a beautifully colored snake in a jar to show Dee and La Vern. The mothers were horrified as the snake was a coral snake.

May peace and comfort be with the Hamilton family.

Love you, Jeanie Banks Rogerson
