“ One thing I can say about my great-grandson A'sa Ross, he fought till he couldn't fight no more. The Lord finish his battle for him. An'fernee and Madison, I love you so much. You guys are very strong. That's what happens when you get prepared for what might happen. Just keep holding your heads up. God's not thru with yal yet. He's in the blessing business.

“ To the Family, A'sa was here with you for such a short time but that time was meaningful. We don't always understand what or why God does things like this but you can bet his short life was meant for a purpose that will be known later on. I am praying for you all. He was and still is such a precious little boy and such a fighter. That in itself is a lesson for all of us. Love Linda
