“ *Betty and Family;*  
*Pat and I send our thoughts and prayers to you and all family and friends of Jack. Jack has always been a good friend to us over the years. We looked forward to seeing both of you over the years at various functions. He was a great guy and we will miss him very much. What good memories I have of Jack. I will never forget the days of playing football and softball with him back in the 50's and the times we met you at several high school basketball games and at the state tournament.*  
*May god bless you and family.*
