“ I heard from Jim almost on a daily basis through e-mail. He told me not long ago that he had been sick, and I thought maybe it was the flu. Never even thought it was serious. At OILWELL I was in personnel and he was in salary payroll so we worked together for 25 plus years. He was a good friend, he had great pride in his work, and he was proud of his family.

May God be with you all.##imported-begin##Alice Montgomery##imported-end##
