“ Dear Family,
It is an honor that I can call Jim my friend. He and
"Skeeter" were a big part of my life when I lived in
Lindale. Shirley, you are such a good daughter and I love and
admire you for your loving care of your Dad. It is good to know I will
see him again with our Lord!
Love to you all,

*This is my granddad. I love him so. I've buried my mom, my dad, my
brother, my husband and my family that is still living have discarded me
like trash. My grandad here is my guardian angel. I miss my family so
very much & I know that we will be together again.
P.S. Shirley is my aunt and has started some very nasty rumors about
me abusing my father, for the record, my dad was my best friend. We
talked everyday about any & everything. Shirley Nash, Larry Nash, Joel
Nash, Gregory Shine & Monica McGill. Dylan Shine & Sara Shine have
all left me to die, they are heartless & cruel.*
