“ Vicki,
Memories of Jamesie came flooding back when I learned of his passing. He was loved by all in school - always laughing and joking. He and Mike were so close, he became another brother to me. I remember walking with you to the student center at SFA and there sat Jamesie - he was interested in you from the very first look! Yes, memories are always ours especially now.
Much love and prayers for you and your boys,

“ Vicki and Family *My heart is sadden as I just learned of James's death. He was one of the dearest and best friend anyone could ever have. He could talk for hours on the phone about anything, everything and nothing and you would always hang up smiling! What a great guy who loved his family and life to the fullest. He will be in the hearts of us all forever. My thoughts and prayers are with you all.*

“ James was a character to work with. He will be missed terribly by his Soft Play LLC family. Although, I have never met Vicki in person, James spoke of her every time we worked conventions together so much that I feel that I know her. Vicki, I am so sorry for your loss of a truly wonderful man. James will never be forgotten.

“ In the photo above you can see the mischevious look in his eyes. His face always shared a smile or laugh with those around him. In the summer we spent many Saturday mornings fishing up and down Larisson Creek. He worked hard at everything whether it was jobs in the summer or his grades in school or playing football. A true example of a person you could look up to or model your life after. We will miss you but your memories live on.

*Dear Vickie,
I was so very sorry to hear of Jim's passing and wish to offer you and your family my sincerest condolences.
I have nothing but beautiful memories of Jim, and only regret that we lived so very far apart and that our paths did not cross again. However, his smile and kind manner will be with me forever.*
