“ I always called you "My Angel". Thank you for coming to me in my dream last night. It was something I really needed and didn't even know. I'm thankful you know about my family and even out kitty cat! I struggle daily with you not being here and I always wonder if I am truly a good mom. Thank you for reassuring me on all these things. (Eating cotton candy in my dream with you last night was awesome, and thank you for still making me laugh, even in my dreams!) I have never stopped loving you, not even for one day. You stay constant in my heart and on my mind. I hope to see you again and soon. I love you with my entire heart and soul. S.H.M.I.L.Y.
