*We could not get to Texas to see our Cousins service or his family. We would have loved to have met them and let them know how much he meant to his Stone cousins . We would see him and Charlie at Hamilton Alabama for Declaration Day in May for many years. It is sad that we will not see him at our McPherson reunions again. He was a loving family man and will be greatly missed. We are so sorry for Nell and the children and grandchildren's loss. Sorry we could not be there to tell the family in person.*

“ I met James at First Baptist Church Swan, Tx. We were in same Sunday School class and boy he was always giving me a hard time. He had this joke about me having nose ring. It went as far as him having a plaque with a nose ring on it with my name. He was a hoot and I know he will truly be missed.
