“ I havw

e many fond memories of Uncle Jimmy. I'll never forget the first time he brought his granddaughters to the reunion-- He was so proud and happy. That was the first time I spent alot of time talking to Uncle Jimmy and from then on could not wait to see him again. He was full of stories about his grandkids. One of my regrets in life is to not have grown up closer to our relatives although, I am very grateful for our family reunions which allowed me to know my relatives that I would have otherwise missed knowing. Uncle Jimmy is one that I am very glad I got to know because I will always admire and have a deep respect for his love of family. I am blessed that he was my Uncle and that Aunt Juawiece is my aunt. I am going to miss him but, I know where he is--and I will see him again one day and for all eternity--and that will be a glorious time!! Cause I bet heaven has "Cowboy Church" and that is where I will find him.##imported-begin##Connie Edwards Richard##imported-end##
