“ *Dad we love you and we will miss you. I am so glad the boys and I got to spend the last 3 days with you, I am glad that you do not have to suffer anymore and that you are not in any pain. I know that you had a terrible life the past 2-3 years and that you are finally free at last, no more pain, no more worries and no more suffering. You will be missed but enjoy your time with papa and Steve and we will see you again one day. Love You##imported-begin##Sandra Armstrong##imported-end##*
