“ *Prayers for the family and so sorry for your loss. Shack was a wonderful man, very caring and compassionate. Also a great mechanic and available if I needed work on my bike. We will miss breakfast with him at the bikers church and going for a ride. Apparently God needed another Angel. But he will always be watching over you , be in your heart and you will even be able to feel his presence. You will have another guardian angel. Prayers and love for the family during this difficult time and the Lord will comfort you with his love and peace. God Bless You. Live Betty and Doug Armstrong*
