“ Happy Mother's Day! With love. I cherish my Jaques Lawson card you sent after mother's day 2017. I gave you a Joel Osteen book, a pecan log that you loved and some flowers. You sent me card thanking me for giving you all the things you loved. It means a lot to me to look at that card. Love you and miss you.

Your son,
Todd

“ Mom,
It's been 1 year ago we all lost you. I want you to know I have thought about you daily and void left in my heart. I have she'd a lot of tears. I catch myself watching the Rangers or Cowboys and wanting to call to say did you see that play...and here your voice say yah wasn't that good. I know you're looking down on all the family making sure we are ok. Every time I see a beautiful butterfly I know it's you checking on me. I just want you to know you were the best mom and I miss you and love you. We will see each other again when its time. XOXO.

Love your son,
Todd

“ Mom,
It's only been 1 month and I still cry every day to hear your voice again. I know you are well and happy but you are dearly missed- you have left a void on this earth- I miss our phone calls. I just want you to know how loved you were and we will see each other again.

Love your son.

Mom it's been almost a year & I thought me missing you would get easier.....NOT TRUE! I miss you more everyday & not a day goes by that I don't think of you & sometimes catch myself attempting to call you but realize a second later that that's not possible. I can't wait till the day we reunite & see how well you are doing! Even though you never asked "why you?" I ask God that frequently & still don't understand that a beautiful Christian woman & soldier for the Lord had to suffer so much pain & so many people miss you that still need you! Maybe someday I will understand. I love you mom & if you can show me a sign that you are ok & watching over us.

“*Mike, Will Lewis messaged about Jan. I had just thought about her about a week ago. Jan had such an infectious laugh and so much love to share. The best memory was seeing her at Minyards right after she had learned about Lindsey. We were in produce. That laugh came and then the news. I told her that I knew something was up because her eyes were glazed over. And Lindsey was truly a blessing from God. You are strong with a beautiful family to help walk you through the coming days. 🌹*

“ Mike, please know that I am thinking of you and praying for you and your family. May the Lord keep and comfort all of you as only He can. Though I haven't been in touch with you and Jan for a long time, I've kept up through Glenna and Harvey. Jan was truly one of the most inspiring and wonderful women I have ever known and you are a real hero in the ways you have taken such good care of her.
