“ Jane Holbrook molded me into the teacher I am today . I thought I knew it all and she assured me that I didn't!! She was stern, tough and loving all at the same time. I am forever grateful that she was my first Principal, she taught me many life lessons! She will be forever remembered!!

“ Kim, I know the loss is deep, I have been in your shoes; you were blessed to have one Strong amazing Mom; even though she was my high school principal I had nothing but respect for her! And even more by working with you for so many years I know even more of what a great woman she was to raise such a dynamic and caring young lady!

“ When I was in Jr High, she was my principal. My family was extremely poor & it showed. She gave me a sack of clothes. Hundreds of other issues with other students and she took the time to be nice to a shy poor girl. I never forgot. Thank you!
