“ It seems as though JC has always been a part of my life. I use to crawl up and sit in his lap when I went with my Mom to International Harvester as a little girl. He later became my father-in-law and grandfather to Michael (Tony and my son). JC was a quiet man, a hard working man and very special to me. It is with great sadness that I type this tribute. Please accept my sincere condolences. The Smith family will always hold a special place in my heart.##imported-begin##Courtney Ridings##imported-end##
